FOX OPTIMAL LIVING

A Note from Dr. Lantzy

The partnership between The 80th Street Residence and FOX has continued to grow and thrive in 2015. Through FOX's Optimal Living Program, we have been able to provide 80th Street Residence with exceptional physical, occupational, and speech therapy. In addition to skilled therapy, FOX's wellness program has provided 80th Street Residence residents with a full schedule of evidence-based and clinically-excellent classes, walks through the Upper East Side of Manhattan, and regular assessments to evaluate the functional mobility of each resident.
