Clare P. Shanley, Executive Director
The 80th Street Residence
430 East 80th Street
New York, NY 10075

Dear Clare:

I write this letter to express my deepest admiration for the 80th Street Residence. More important than my admiration is my profound feeling of gratitude to you, Lindsey Harbison, and the entire staff at 80th Street.

My wife Edith, who has had dementia for the past seven years, is thriving at your facility. My daughters and I almost gave up hope that we would ever see her smiling again, and now she is in good mood and smiling much of the time.

You are to be commended for the skill and training of the entire staff. Their warmth and kindness to all the residents is deeply appreciated.

Please advise Mr. Kaplan and Mr. Morehead of my deepest gratitude to them for the work they have done in establishing a facility of such high standards and quality. If there is anything I could ever do to help them it would be my greatest pleasure. One day I hope to meet them.

God bless all of you.

Sincerely yours,
